

IN THE NAME OF JESUS

Hilda is back on her legs and is gradually getting stronger. This is her home. When it rains it leaks like a sieve. We wanted to mend the roof, and decorate her home, to give her a better quality of life, but now she may have to move due to the owners wanting to build themselves a bigger house. Building has started.

We have bought Hilda a solar light jar, which she puts out in the sun each day to recharge to give her light at night. She was using a candle which can be dangerous. She is very proud of her light. We have also bought her a new safety paraffin stove to cook on. Unfortunately she does not have electricity. But she is excited that she is strong enough to cook again. 'I AM ASKING THE LORD THAT I CAN LIVE FOR A FEW MORE MONTHS AND WEEKS. I AM NOT READY TO GO HOME YET. I AM STILL PREPARING.'

***THE RIGHTEOUS SHALL SHINE FORTH LIKE THE SUN IN THE KINGDOM OF THEIR FATHER.
Matthew 13:43***

We continue to take out hot nourishing food each week. Gladys holds a pot of vegetables (right)

Little children sit in the dust and eat their meal (below)

Sissi (bottom picture) has mental health difficulties

A man gave a great supper and invited many people, but they all were too busy and made excuses. He was angry and so he sent his servant out into the streets and lanes to bring the poor, the lame, and the blind. The servant said there is still

room for more people. So the man said go onto the highways and hedges and compel the people to come. For I say to you that none of those men who were invited but then made excuses shall taste my supper. Luke 14:15-24

'Blessed are they who shall eat bread in the Kingdom of God !' Luke 14:15

Look at the smaller shack in this picture. This is a toilet for many people. 3 of those people are new mothers. I want to highlight the severe conditions that people have to live with. Yet never do we hear grumbling, we see smiling faces full of joy and gratefulness for the smallest gift. One of the mother's below.

About a year ago Pinkie was brutally attacked and her arm and face slashed with a knife – her mobile phone stolen. She was very shaken and afraid, but due to prayer she has healed and now is so proud of her new daughter Boikanyo (3 days old).

Dorah and Nkosi here in the arms of Gladys continue to do well.

Gladys is studying hard for the theory test for driving on 25th November.

Sylvia an 86 year old lady from the cathedral, She came with us into the township – she has lived in South Africa all her life but never been into the township. ‘What and eye opener for me!’ she said. Here she is with Pinkie and Boikanyo – now a month old.
