IN THE NAME OF JESUS

This month Dorothy Brown from St John's Church Baxenden came to visit for 3 weeks. It is the second time that Dorothy has visited. It was a special time as she visited people who she had read about in the prayer letters. Here she is with Hilda, who was so pleased to meet Dorothy and hear of her prayers for her.

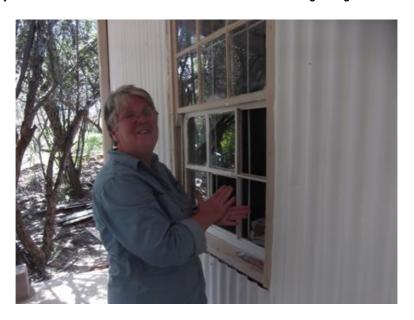

With Mitah, who remembered Dorothy from last year.

With Dorah and new son Nkosi.

During Dorothy's stay the work on the house continued and Dorothy joined in the restoration. Here she learns a new skill glazing windows.

Making a bag for Hilda, using electricity from the new solar system.

Then the time for moving in came

The track is narrow leading up to the house, it was touch and go that we would make it.

Meanwhile Dorothy fitted the carpets

What a star!

Dorothy has now returned home for a well earned rest!

Prayer points:

For Dorothy as she returns home

For Marie Crook who flies out on the 12th March for one month

For continuing work on the house, which is almost completed

For protection as I settle in the new surroundings

Thanks be to God for His provision

For the house to be used for God's Kingdom

For Josiah who we took to hospital critically ill and was sent back home.

For Hilda as she applies for a grant (she has no income)
